

Our Holy Week Services held at Isa Town

The Holy Week services were held with solemnity at the Sacred Heart School compound, Isa Town and in Manama, to mark Easter, beginning with Maundy Thursday service, with the Washing of the feet, to mark Jesus' example to love one another and Good Friday, where the passion and death of Jesus was commemorated and on Holy Saturday, the Easter vigil in preparation for the Resurrection of Jesus Christ, thus culminating the awaiting feast of Easter.

All three services were attended by hundreds of parishioners who devoutly participated in these services. One parishioner commented, "The prayer service in Isa Town was conducted with dignity and grace. Thanks to the benevolence of the authorities and people of the Kingdom of Bahrain who allowed us to conduct these services". During all these services special prayers were offered for Bahrain, the Middle-East and the whole world.
